

In response to the COVID-19 pandemic, it is more important than ever to support our community partners, guided by values of Excellence and Love. Below you will find a resource list addressing a variety of needs our community may need assistance accessing.

For all health-related updates in Delaware, please refer to Division of Public Health’s Corona Virus site: <https://coronavirus.delaware.gov/>

In addition, there are two invaluable platforms to help you connect to services:

- **Delaware 2-1-1** has intensified service to Delawareans in need of answers, information and referrals as they face being out of work, health care needs, finding food sources, child-care needs, utilities assistance, rent or mortgage assistance, and so many more COVID-related difficulties. The service is confidential and free. Contact Delaware 2-1-1 by simply dialing 2-1-1 or 1-800-560-3372, or visiting Delaware211.org
- **Unite Delaware** is an electronic care coordination platform. Organizations that wish to join should visit: <https://delaware.uniteus.com> and select “Join the Network.” Individuals who wish to secure assistance in obtaining social services, can also go to the Unite Delaware website and select the “Get Help” tab. This will allow a referral to be sent on their behalf within Unite Delaware.

Finally, for more information, or to have a resource added to this list, please email Michelle Axe: Michelle.Axe@ChristianaCare.org
